Fairgrounds Memorial Bench Order Form

The Darke County Fair Board and the Darke County Solid Waste Management District are placing another order for Memorial benches. These six foot long benches are made from recycled milk jugs as a lasting tribute to family and friends and will be placed around the Gazebo and other areas of the Fairgrounds for Fairgoers to enjoy the festivities of the Fair.

These benches may be purchased and lettered as a lasting memorial to a loved one, as an advertisement and donation from your business, or just a donation from your family to the fair or other organization. These benches will quickly become a benefit to the entire community and be enjoyed by Fairgoers for generations to come. Businesses may have their logo placed on the bench at no extra cost by including the logo in a vector file.

The cost per bench, which includes lettering, is **$625.00** and the order deadline to ensure delivery prior to the next Fair is June 1st. **Mail completed forms to: Darke County Solid Waste, 684 Wagner Ave, Ste C, Greenville, OH 45331.** For more information or to order call Krista Fourman @ 937-547-0827,
